"This book changed my perspective on life and religion. Eric Butterworth teaches that God isn't 'up there.' He exists in, around, above, and through each one of us, and it's up to us to seek the divine within."--OPRAH WINFREY

"Butterworth was a twentieth-century Emerson. His mission was to help others realize their spiritual potential and to empower the world through spiritual growth. His teachings focused on what a human being is and what a human being can do to live abundantly. He's helped me to live more abundantly, and he can help you to live more abundantly, too."

MAYA ANGELOU

"A wonderful book ... truly a life-changer, as many readers know.

This book really does release the power within us all." --NORMAN VINCENT PEALE

In this top-ten Unity best-seller and inspirational Unity classic, Unity Minister Eric Butterworth (1916-2003) shares the greatest discovery of all time: the ability to see the divine within us all. Jesus saw this divine dimension in every human being, and Butterworth reveals this hidden and untapped resource to be a source of limitless abundance. Exploring this "depth potential," Butterworth outlines ways in which we can release the power locked within us for better health, greater confidence, increased success, and inspired openness to let our "light shine" for others.

Join Rev. Steve Colladay for this 10 week 9:30 am Sunday morning series starting January 15, 2012 for spirited, inspirational dialogue on this Unity classic.
